

WHERE THERE IS SAFETY

It was a dark and stormy night when a lady was on a boat crossing Lake Michigan. The lightning, thunder and rain made her very nervous. She looked and saw jagged rocks above the surface of the lake. In fear, she asked the captain, "Do you know where all the rocks are in the lake?" the captain said, "No, I don't, but I do know where it is safe."

As we "sail" through life, we are going to come across a lot of jagged rocks. Some we will know how to avoid, while others will surprise us. The important thing is knowing and staying "where it is safe". Jesus said, "I am the Way, the Truth and the Life, no man cometh unto the Father, but by Me." Jesus is our safe place.
